

HUCKNALL FLYING HIGH ACADEMY NURSERY QUESTIONNAIRE

To support us in developing our Nursery Provision it would be helpful if you could let us know your views/ opinions

IN RELATION TO THE TWO QUESTIONS BELOW PLEASE IDENTIFY WHETHER YOU FEEL THE PROVISION SHOULD BE Option One OR Option Two

	YES		NO	
Option One I think the Nursery Provision of Hucknall Flying High Academy should be a school time based provision (taking into account 30 hour provision)				
Option Two I think the Nursery Provision of Hucknall Flying High Academy should be a flexible provision which is open beyond the normal school day, with the opportunity for parents to pay for additional hours above the 30 hour provision				

Reasons:

If it was decided that the Nursery Provision would be more flexible, in line with Option Two

What time do you think the Nursery should open?	
What time do you think the Nursery should close?	
Do you think the Nursery should offer the opportunity for parents to use their hours / some of their hours on set days in the week eg 1 full day and 2 x ½ days?	
Do you think the Nursery should be open during school holidays?	

In line with either Option One or Two - What would you like the Nursery to provide for your child/ children?
